

Maude Margaret takes out her cell phone, lifts up her skirt and takes a picture of her vagina. She then sends the picture to Grayson on his cell phone.

MAUDE MARGARET

Hey. I sent you a message.

GRAYSON

(He looks at his cell phone and screams.)

Stop sexting me! I can't take it anymore.

MAUDE MARGARET

That's for liking my stepmother. Now, we've got a lot to do before our party begins.

GRAYSON

Are you sure about this?

MAUDE MARGARET

The invitations have already been sent.

GRAYSON

What invitations?

MAUDE MARGARET

The invitations with the photo of myself on them that I e-mailed to the entire soccer team.

GRAYSON

That's why I took those nude photographs of you? I thought they were for an art project. You didn't tell me you were sexting the entire soccer team.

MAUDE MARGARET

I changed my mind. So, shoot me.

GRAYSON

I thought we were creating art.

MAUDE MARGARET

My body is a work of art.

GRAYSON

Well, I suppose in a reubenesque sort of way.

MAUDE MARGARET

I assume you just gave me a compliment?

GRAYSON

Most definitely. So, do you think anyone will show up?

MAUDE MARGARET

What's that supposed to mean?

GRAYSON

Nothing. I'm just a little antsy about all this.

MAUDE MARGARET

Well, relax because we have a lot to do to get ready for the party.

(Getting several tubes of
lipstick out of her
bookbag.)

First, we need to decide what color of lipstick to wear.

GRAYSON

Do I really have to wear lipstick?

MAUDE MARGARET

We're not going to go through this again. Pick.

GRAYSON

The Chanel.

MAUDE MARGARET

That's what I was planning to wear.

GRAYSON

Well, I suppose I could consider another brand, but Chanel really is...

MAUDE MARGARET

Oh, never mind. I'll wear the MAC.

GRAYSON

I still don't understand. If it's going to be dark, how will anyone even be able to see the different colors of our lipstick?

MAUDE MARGARET

It's sexy. We're going to be sexy. I'll show them I can be as sexy as any of the other girls at school. Now, we need decorations for my room.

GRAYSON

How about vases of orchids?

MAUDE MARGARET

We're not throwing a coming out party.

GRAYSON

True, but it may be for me.

MAUDE MARGARET

If you decide that's what you like, but remember our little agreement.

GRAYSON

Yes, I remember, although I think I may already know which I prefer.

MAUDE MARGARET

You haven't tried either one, so you have no idea what you like, do you lover?

(She kisses him lightly and quickly on the lips.)

Now, back to the decorations. What can we do?

GRAYSON

(Seeing Winnie's baby doll arrangement.)

What is this?

MAUDE MARGARET

It looks like another one of Winnie's moments of insanity.

GRAYSON

There's something very Salvador Dali about this.

MAUDE MARGARET

You know how turned on I get when you get all artsy.

GRAYSON

Please, don't.
